"A word aptly spoken is like apples of gold in settings of silver." Proverbs 25:11

Dear PCCA Family,

I have been doing a Beth Moore Bible study on the book of James. She remarks at one point that it is sometimes considered the New Testament Proverbs. I had never considered this before, but I realize the truth of that statement. The above quote from Proverbs is congruent with the third chapter of James which warns us of the dangers of using our tongue wrongly. How true that the same tongue which can be used to uplift each other and praise God can also be used to "curse men."

Thank you for your encouraging words day in and day out. They refresh our spirits and help us to be our best for the Lord and for you. They are truly "apples of gold in settings of silver."

Yours in Christ,
Mrs. Sheryl Murray

Box Tops for Education

The deadline for turning in box tops is **February 24th!** Please be sure to collect your box tops in a bag or envelope marked with your student's name and grade. Once again, the class that collects the most box tops will win a prize.

Be sure to ask your relatives and neighbors to help you collect box tops. The more we can collect, the more money is earned for our school!

Prayer Concerns:

NEW BOARD MEMBER - Someone to replace an outgoing member of our school board.

BBO BASH - We need volunteers to help in many areas: publicity, tickets, food, seating.

PCCA DISCOUNT CARD - Much success in selling our discount cards this spring. Remember that more than 80% of the money collected is profit that will benefit our school directly.

Praise

* Great number of coats, hats, scarves and gloves were collected and will be delivered to appropriate organizations in our community.

* Our Show Choir has been blessed with the opportunity to schedule additional performances this spring.

* We have collected several discounts from local businesses for our PCCA discount card. Thank you to everyone who helped in making this happen for our school!
