## Frontline

*"... when a prayer or plea is made by any of your people Israel – each one aware of his afflictions and pains, and spreading out his hand toward the temple – then hear from heaven, your dwelling place." 2 Chronicles 6:29*

Dear PCCA Family,

We've had quite a bit of illness around school the past couple of weeks. The above words were prayed by Solomon during the dedication of the temple asking for God's intervention for afflictions and pains. Please pray with us for God's healing power to be over our students, staff and their families so that we can continue to do His will in learning and teaching. I also encourage you to read the rest of this powerful prayer to get a glimpse of what we need God to do in our lives.

Yours in Christ,  
Mrs. Sheryl Murray

## Reminders...

### Box Tops for Education

Mrs. Spears' 2nd & 3rd grade class won the Box Top contest. They turned in over \$40 in box tops and will be receiving a special treat from Sonic! As a school, we collected \$120. We will have another contest after the first of the year, so be saving those Box Tops through the holidays!

As you begin shopping online this holiday season, please remember that you can earn money for our school. Go to [www.boxtops4education.com](http://www.boxtops4education.com) and get signed up. You will create a user ID and select our school, then you can shop from hundreds and hundreds of retailers online. With every purchase you make, our school will earn money, also. What a convenient and easy way to help the school!

### Yearbook...

Have you taken photos of your students at school events this year? Do you still have those photos on your media cards, or in your camera? We know that it is sometimes difficult for you to find time to copy those pictures and get them to the school, so we have a solution for you.

*If you will simply bring your media card into school in the morning while dropping off your students, Mrs. Sherry will take your card and copy the school pictures onto the yearbook computer. She will then put your card into an envelope and put it in your student's backpack the same afternoon.*

Doesn't that sound easy and painless? Please help us to collect photos for the 2011-12 school yearbook!

### CHRISTMAS PARADE NEEDS

Portable Generator to have lights and sound system on our float.

People to help design and decorate the float.

Lots of PCCA families to ride and sing with us.

If you can help in any of these ways, please call the office.

Thanks!

### CHRISTMAS COSTUMES NEEDED!

Does your church have costumes that our Middle School students can borrow for the Christmas program on Dec 15th?

If you can help our students with costumes, **please call Jill Klein**. Her phone number is in the student directory, or you may call the school office.
