

On the Homefront

Frontline

Dear PCCA Family,

As I'm working through my formal classroom observations, I have had the opportunity to see Miss Anna Newport and Mrs. Shelly Olsen. Miss Newport is doing a marvelous job juggling 4th and 5th grade, smoothly going back and forth between the classes, keeping them on task and well-behaved while providing interesting, well prepared lessons. Mrs. Olsen does a wonderful job with the 4 year olds, also. Her day is packed full of fun and interesting learning activities which prepare her students for future reading, arithmetic and life in general. Both teachers do a great job at weaving spiritual messages into the curriculum throughout the day.

Thank you, parents, for coming to conferences. We love meeting with and talking to you, hearing your input and discussing your children. What a blessing we have to be able to work together!

Yours in Christ,
Mrs. Sheryl Murray

Athletic Shoes...

Please remember to send your students in shoes that are comfortable and appropriate for gym class. Your students do lots of running and aerobic activities that require shoes with a very stable sole. Please make sure they are wearing shoes that are made for these kinds of activities (for example: cross trainers, standard tennis shoes or running shoes.)

Flip flops, sandals, boots, dress shoes, etc. are never appropriate for gym days.

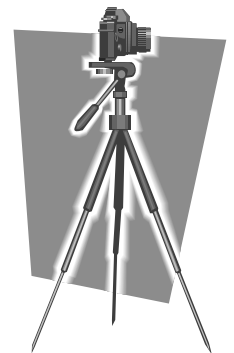

Family Portraits by Traci Wedd

Sunday, Nov 6th 12:00 - 4:00 pm (later if needed)

Ms. Wedd will take your family portrait here on the beautiful mansion grounds. You will get to see the proofs immediately following your session. Orders can be placed and paid for at this time. Sessions should take about 15 minutes for photos and another 15 minutes selecting proofs and packages.

Your portraits will back in plenty of time to give as Christmas gifts.

Please call the office and get your family on the list!
