

On the Homefront

Frontline

Dear PCCA families,

It's been great to see our Middle School students step up to some leadership opportunities this week. The 8th graders were paired up with two 4 yr olds to help make cupcakes and read the story, *When You Feed a Mouse a Cupcake*. One 8th grader ended up taking his buddy down the long hall to get cleaned up - twice.

Another opportunity they had was holding the banner on the Walk to School Event. This walk was a lot of fun and included many parents on the crisp Wednesday morning.

The Middle School students also help in the mornings keeping the little ones occupied while everyone is waiting for school to start. This is especially good for several of them who do not have younger siblings.

Yours in Christ,
Mrs. Sheryl Murray

Do you not know that those who run in a race all run, but only one receives the prize? Run in such a way that you may win.

Family Portraits by Traci Wedd

If your family is interested in getting family portraits taken at the beautiful Marland Mansion grounds, please call the office to get signed up. Ms. Wedd will plan a day toward the end of October for taking pictures and she will waive the sitting fee for our families. The school gets a percentage of the picture sales.

Ms. Wedd will only do this if we can get 15 families to commit to having their portraits taken. The pictures are taken on a Sunday afternoon.

I'm told that Ms. Wedd's portraits are gorgeous! You will have your orders back in plenty of time to give as Christmas gifts.

Please call the office and get your family on the list!
